

Classic Style...

Modern Craftsmanship

It's the small details that tell of tale of craftsman, and it's the attention to small details that distinguishes Gavin Construction from other builders. If you're looking to update your home or renovate a historical structure, we can provide the ideas and services you need.

Complete Kitchens

Kitchens are often the heart of the home, where family and friends gather to share meals, conversations and celebrations. With expert design assistance, Gavin Construction can help you create the space that best suits the needs of your family.

When your layout and design are complete, Gavin Construction can lead you through the selection of appliances and quality materials that completes the project with style.

Design and Build

From concept to design...breaking ground through finish trim...Gavin Construction is your full service contractor. Our family owned and operated company has been delivering the quality craftsmanship and customer service that has been the cornerstone of our business since 1968. Whether it is a new home, an addition or renovation project, Gavin Construction has the expertise and craftsmanship to tackle even the most challenging projects.

"Building with the Environment in Mind."

Unique Techniques

The Gavins bring professionalism, creativity and an eye for quality that is gained from years of experience in the construction industry. The owners, Ed and Tom Gavin, handle every project; so whether it's operating heavy equipment or installing the last finishing nail on fine woodwork, the Gavins are there.
